

Instructions

Step 1

- > Download the Story PDF and Cover Template from this website.

Step 2

- > Open the Cover Template file.
- > Design your cover using images and text of your choice, and save your file as a PDF.
- > When saving, select 'Options' > 'PDF Options' > 'PDF/A compliant'
- > For the best quality, select 'Tools' > 'Compress Pictures' > 'Resolution' > 'High fidelity'

Step 3

- > Sign in to [lulu.com](https://www.lulu.com). Go to 'Create' > 'Print Books' > 'Start My Print Book' and follow the new instructions.
- > Make sure to select 'Print Your Book' and not 'Publish Your Book'.
- > If you choose an option other than 'Paperback' when choosing your book binding, you will need to adjust your cover to meet the new dimension requirements.
